FIG. 8

The diagram shows a large triangle with a vertical pole (36) extending from its base to its apex. At the base of the pole is a rectangular base (16) with a small rectangular component (14) on its right side. A cable (64) is connected to component 14 and extends downwards and to the right. A small triangular component (30) is attached to the pole near the base, with a curved arrow (44) indicating its movement. Other labels include 72, 43, 18, 68, 66, 50, 52, 54, and 40, which point to various parts of the structure and components.
